

**GET AWAY FOR A NIGHT OF LAUGHS AT THE BREW HA HA COMEDY CLUB
AT BREWERY CAFÉ CITY STEAM**

Wednesday, July 20, 2011
8:00 PM – 9:30 PM

NACCHO has reserved the Brew Ha Ha Comedy Club for NACCHO attendees!
Enjoy two comedy performances and grab a bite to eat following the
President's Welcome Reception.

The Brewery Café City Steam is situated in the Cheney Building – one of the
finest examples of Romanesque architecture in the United States. Hartford
Steam has engineered a way to run steam pipes into our brewery café,
enabling the café to power their 15-barrel brewery with "city steam". You
can see the steam firsthand when they blow their antique steam-whistles.
With its upscale casual menu and an extensive collection of home-brewed
and local beer, City Steam has something for everyone.

Tickets are available for \$10/person. The \$10 fee will provide you with a voucher for \$10 towards food
and beverage at Brew Ha Ha. For more information about the Brewery Café City Steam, visit
