**Performing Better Together:
Improving Through Peer Networking**

Tuesday, April 2nd, 2013

Mary Kate Allee, MPH
Senior Program Analyst

National Association of County and City Health Officials

**Performing Better Together:
Improving Through Peer Networking
Webinar: Tuesday, April 2nd, 2013 2:00PM**

GOAL:

To describe the benefits of peer-networking for local health departments as they conduct performance improvement activities (accreditation preparation, community health improvement planning, quality improvement, etc)

OBJECTIVES:

- Explain peer-networking opportunities for local health department performance improvement work
- Explain the benefits of peer-networking groups and how to participate in them to maximize value
- Describe how two local health departments conducted performance improvement activities with the support of peers and mentors

Speakers

Louise Kent, MBA, ASQ CQIA

Northern Kentucky Health
Department

Tom Quade, MA, MPH, CPH

Summit County Public Health
(OH)

Demographics-NKY

Value of MAPP Network

"Coming together is the beginning. Keeping together is progress. Working together is success." – Henry Ford

Value of MAPP Network

- Learn about MAPP and MAPP resources
- Learn about upcoming webinars, trainings, conferences and other public health events
- Connect with other MAPP users:
 - Forum discussions
 - Directly communicate with them
- Learn how others are implementing MAPP
- Connect with another MAPP community
- Learn about funding opportunities
- Connect with a "MAPP Navigator"

Value and Benefits “MAPP Navigator”

Mentee:

- Mentor can be contacted spontaneously
- Connect to MAPP resources
- Help with moving through the process from a live person (technical assistance)
- Real examples and tips from someone who has already had experience with MAPP
- A sounding board for ideas
- Get connected with other MAPP users
- Encouragement
- You're not alone!

Value and Benefits “MAPP Navigator”

Mentor:

- Keep sharp!
- Obtain ideas for the next time
- Connect with other public health professionals
- Can mentor from your office
- A minimal amount of your time will reap a lot of benefit in health departments throughout the country
- Join a community of public health leaders who are making a difference.

Other Opportunities

- NACCHO LHD QI Leaders Learning Community
- NACCHO Accreditation Coordinators Learning Community
